FL32B Flood Lights

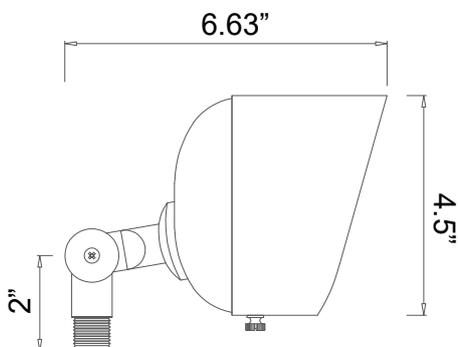

72" wire lead

PAR36 Fixture

DESCRIPTION

The FL32B is perfect when illuminating trees, tall structures and vast spaces. A lighter grade version of the FL33B without a glass lens. The open structure of this fixture helps with optimizing heat dissipation and maximizing luminous efficiency. Works well in conjunction with our PAR36 LED lamps.

SPECIFICATIONS & FEATURES:

- Solid brass construction
- Machined brass thumb screw
- High temperature lamp retainer
- Premium grade direct burial cable
- 50W max. halogen
- Light Bronze standard finish
- Limited lifetime warranty
